

## David Is Kind to Saul

1 Samuel 26

***This is King Saul.*** (Point to King Saul.)

***King Saul did NOT want David to be king.***

***Can you make a mad face like King Saul?*** (Everyone makes mad face.)

***King Saul was very mad! Because he was so mad, David and his friends ran far away and hid from King Saul.***

***Let me see you pretend to run.*** (Everyone pretends to run.)

***King Saul's army looked everywhere for David and his friends, but the king's men could not find them.***

***But David and his friends found King Saul!***

***One night, while King Saul was sleeping, David and his friends snuck up*** (finger over lips in “Shh” motion) ***near King Saul.***

***Can you say, “Shhh?”*** (Everyone says, “Shhh!”)

***David and his friends had to be very quiet!***

***David’s friends wanted to hurt King Saul but David said, “NO!”***

***Let me hear you whisper “no” like David.*** (Everyone whispers “no.”)

***Instead, David and his friends took King Saul's water jug and spear (point to items) and went to the top of a hill. Then David shouted, "King Saul!"***

***Let me hear you shout "King Saul!"*** (Everyone shouts "King Saul!")

***King Saul heard David shout, and he jumped up. He called back, "David, is that you?"***

***King Saul could see that David had taken his water jug and spear.***

***The King realized he was wrong for trying to hurt David. He promised not to hurt David anymore.***

***David told his friends he would not hurt King Saul and David did what he said he would do!***

***We can be like David and do what we say we will do, too.***

***Let's say this together:***

***I Can*** (thumbs to chest)

***Do What*** (walk in place)

***I Say!*** (cup hands around mouth)
